

Dear American family, 😊

My name is Maia Grange, I will be 17 years old this month. I live in France in a small suburban city called Maurepas, 30 Kilometers from Paris. I was born on the 30th, April 2005 in Bamako, in Mali, West Africa. I was adopted at 7 months old by French parents whose names are Anne and Olivier. My parents both work in the press. My mother is a proof reader at a news magazine called Paris Match. My father is a computer engineer for a digital media called Mediaspart.

I have an older brother, Noé, who is 19 years old. He is a baker and a pie maker and he was adopted in Mali just like me. I also have two white younger sisters, their names are Louise who is 3 years old, and Eva, 3 years old, from my father and his new partner. My parents have been divorced since I was 2 years old.

I study in a hotel school. At the moment I am doing my first internship in a hotel restaurant as a waitress. Later I would like become a wine waiter because I have a great sense of smell and I like to discover countries and to advise

people and make ^{them} happy and I like food.

My hobbies are theater and video games. Acting is my passion, I did 7 years of classic theater. I did a discovery internship when I was at middle school at the Comédie-Française and I have been doing improvisational theater for 4 years and I love it. Later I dream to become an actress. ★

I love animals. I have a cat, her name is "Petite Neige" which means Little Snow. We decided to call her like a baby ^{panda} born at the same time because she is black and white like a panda.

I like dancing, travelling, listening to music, making friends and discovering other cultures. I travel a lot with my mother, we went to Senegal and Morocco in Africa, Spain, Bristol and London in the United Kingdom, Martinique and Dominican Republic in the Carribs, Sri Lanka Maurice Island, Greece... And during summer vacation 2016 we were in the United States at San Diego in California to see friends that was the best of my life. We went to San Francisco, we also did a roadtrip to Las Vegas, Utah, Sedona in Arizona, we visited Bryce and Zion Canyons. ☀

I'm sociable, curious, calm, I like to laugh.

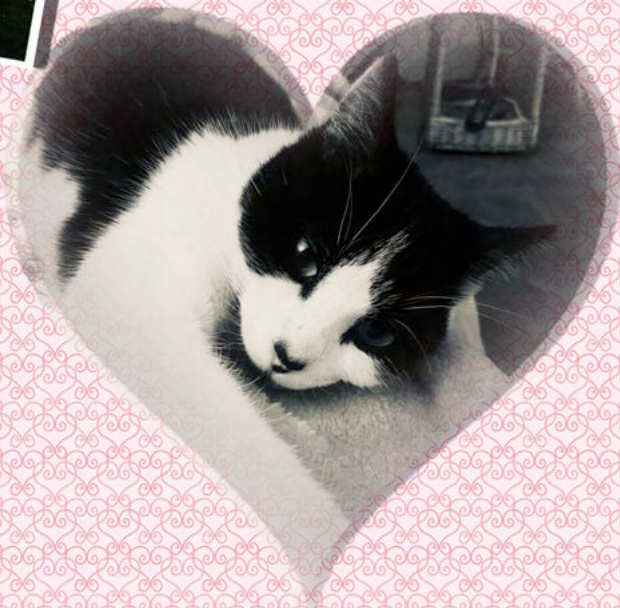

I'm looking forward to meeting you and travelling again to California because I love your country, I want to learn english, and make new American friends. 😊

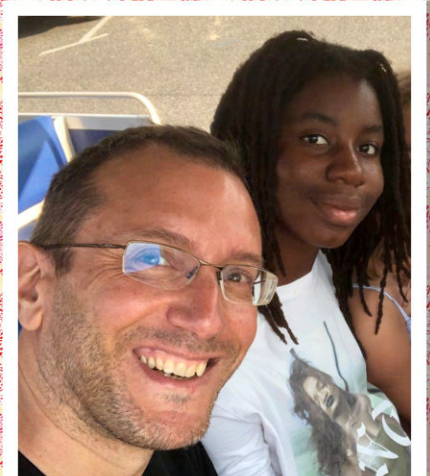

Thank you for reading my letter and I hope you want to meet me too.

Kind regards,

Maia
