

Dear Host family,

My name is Pauline and I'm 14 years old. I'll be 15 on May 30th.

I'm discreet, at first I'll be shy but once I know you I won't be, but don't worry I'm very nice!

I live with my parents in Toulouse, France. It's a historical city, the town center is very beautiful but, sometimes there is too much people, especially when the weather is good. It is nicknamed "La ville Rose" - (The Pink city).

I don't have any siblings and pet.
My mother is French and my father is Cambodian.

FRIENDS

This year, we're unfortunately not in the same class but we find ourselves in the play ground and lunchtimes. Together we laught a lot.

At school, I study different subject like French, English, Spanish, History and geography, scientific subject. But my favorites are maths, physics and chemitry. I start at 8:15 AM and finish at 3:20 PM, 4:35 PM or 5:30 PM.

So during my free time, I have to do my homework and study my lessons. On wednesday, we only go to school the morning and the afternoon, I do classic dance (twice a week). I've been dancing for 10 years.

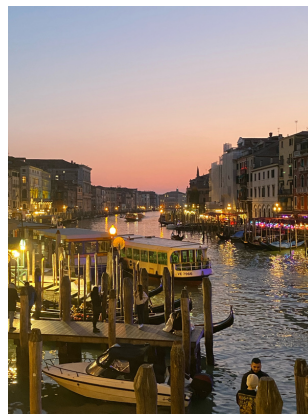

I'd love to go to USA in a host family, because I would like to improve my English, be more fluent...

This year and in the next 3 years, I'm doing the dual diploma program, it's to get the American High School Diploma. It could hepls me a lot.

Also, I love travel in other coutry. I've been in USA twice, in New york and in California and I loved it. I'll be able to dicover more about American culture and family life.

Last time I went to los Angeles, we stayed only 3 days, so I hope you will show me more than I've seen !

Sincerely,

Pauline :)
