

Hello dear host family,

My name is Roxane, I will be fourteen the 31st May 2024. I live with my parents, my brother Vadim and my sister Thelma, I'm the eldest, and I have also a cat "Chips". I am used to take care of them.

In 2024, I will have been living in Grenoble for 3 years. Grenoble is a city of 200 000 inhabitants and is located at the bottom of the Alps. I live in a family house with a garden and a swimming pool.

I was in Paris, where I lived until the age of 11 years. My mother is a lawyer and my dad created his own company in the field of internet.

I'm in grade 8 in a private school. I like this school, where I have good friends.

I practice the following sports: skiing in the winter (very easy from my place), swimming and horse riding.

I was a scout girl during 2 years.

I'm very interested in improving my English.

Last summer, I spent two weeks in a family in Ireland. And I loved it.

I had the opportunity to discover New York and Boston with my parents last year. We travel a lot with them, and we enjoy it very much.

I heard a lot about California and I look forward to discovering this American State and the american way of life. Thank you very much

Roxane
