

Malakoff , Monday, 25TH march,

Hello dear family, thank you so much for welcoming me to your home in the United States.

This is a unique opportunity for me and I want you to know that you are making my dream come true. I'm looking forward to learning a lot about you and American life.

My name is Louison Toulouze I'm 15 years old, my mother's name is Stéphanie and my father's name is Matthieu. I have a 19-year-old older sister called Agathe, with whom I get on very well and whom I adore. We laugh a lot together and like to tease each other.

Unfortunately I don't have any pets but I've always dreamed of having a dog, I love animals.

I live just outside Paris in a small, quiet town. One of my greatest passions is traveling! I love exploring the world and discovering new cultures, it keeps my mind open and allows me to create wonderful memories with my family and friends. My favorite part of traveling is visiting, going to the beach, sunbathing and bringing back memories.

I've already been to Asia, Africa, Europe and soon America.

One of my other great passions is sport. I play on a women's volleyball team, and I get on very well with the girls on my team, we've all become close.

I'm a very sociable person, I'm not afraid to talk to people I don't know. In summer, I go surfing in the south of France by my grand father, where I've been doing it since I was 6. In winter, I go to summer camp with my friends to ski or snowboard.

What I like most is going out with my friends! Most often we go shopping or have a coffee on a terrace in Paris, we visit the city by walking around, passing by le Marais and the Eiffel Tower. I also often go to Paris with my mother to visit art and fashion museums. I also love going to festivals and concerts with my friends, but I don't like to read.

I also love cinema, both French and American. Finally, I'm taking drama classes in high school, which I love. Theater helps me learn to express myself better without being afraid of how people will look at me.

I'm a very happy and funny person, and I can't wait to meet you and live this great adventure with you.

I'm adaptable and I'll be able to adapt to your lifestyle and your family. If you have children my age, I'd be delighted.

In any case, I'd be delighted to meet you.

See you soon

Louison
