

MY PRESENTATION

Dear my host family ,

My name is Bérénice and I´m fourteen years old. I live in Paris area with my mother, I have one big brother(21) and one big sister(18) and my parents. They are divorced three years ago. I have a cat who´s named Nala , it is seven years old . My bestie ´s name is Ines , we do football together (we aren´t bad but we had a lot of progress to do 🤔).We met four years ago and never separated 😊 .

Since I´m six, I always wanted to go to states to see the beaches, the cities, also to try new things like food and others. Furthermore I LOVE THIS LANGUAGE ! Next year I´ll follow an extra class : Dual Diploma. 😊 I will learn 3 hours per week the American language !

I study in Cabrini, there I study French, English, Spanish and sciences like Physics Chemistery but also life and earth science, mathematics My favorites subjects are sciences and English !

Things that I love do is swimming and tanning 😊 I love practice sports and cook , play videogames but I like even more listen to music, for me the greatest type of music is R&B 🤩 .I also really love pets and kids particulary take care of them.

I am excited to go to your country et discover your way of life.

I thank you for your hospitality.
