

Hello!

My name is Arnau. By the time I'm writing this I'm 15 years old, but I'm turning 16 on March 2nd. I'm studying 4th of ESO in a school called Mare Janer in Andorra. I think it's like the second year of High School in the US. Next year I'm changing to another school to study a "batxillerat". It's the two years before going to university. I'm really hoping to study something related to biology. I'm not the best at it, but I really enjoy it.

One of my hobbies is reading. I would spend the whole day reading if I could. Currently I'm reading Ironside, by Holly Black. I think she's probably my favorite writer. I also really enjoy listening to music. My favorite singer is Olivia Rodrigo, but I also like Taylor Swift, Conan Gray, Laufey and Morat. Olivia Rodrigo has recently started a tour for her new album GUTS. Sadly, I couldn't get any tickets, but I'm sure this won't be her last tour. Another thing I enjoy doing is playing the piano. I started playing it when I was young, and I've been playing it until now. I don't practice as much as I'd like to, but I still like it. The only sport I play is padel. I don't know if you've ever heard of it because it's not really famous. It's quite similar to tennis. The court is much smaller and there is glass and grill all around. There are always two pairs and the points are counted as in tennis. It's quite difficult to explain it without showing it.

I also enjoy hanging out with my group of friends. We've been in the same school since we were almost babies. We share the same humor and some interests, like books and music taste.

I don't really know what to expect from this trip. The main reason for choosing the only family program is to improve my English, but I'm also looking forward to experiencing the 4th of July there.

Well, that's everything. I'm so excited to go and I want July to be now so bad. See you in a few months then.

I hope hearing about you soon,

Arnau
