What is your religious affiliation, if any: —

Would you accept to go to religious service with your host family? Yes In theory no, but I'm okay to try (*it will not be mandatory but it usually is an important part of the American family life*)

THIS PROGRAM IS A NON-SMOKING/VAPING PROGRAM

Dear Host family,

My name is Ekain, I'm 16 years old and I'm currently studying 11th Grade at school. My parents are called Leire and Ibon, and I have a younger brother called Beñat, who is 13 years old. I live in San Sebastian, a small city - with a population of 200,000 people - located on the northern coast of Spain. It has beautiful beaches and a unique gastronomy! I have been playing the violin for 8 years, and I take part in concerts and competitions. I really like to make plans with my family and friends: we go shopping, we relax on the beach... I also love travelling and visiting new places - it's one of my biggest passions!

At school, I'm doing a Scientific High School, and my favourite subjects - and the ones I'm best at - are Biology and Chemistry. However, I'm not really sure about what I want to study in the future. I suppose I'll find out soon!

I've always wanted to go to the USA, and this was the best opportunity, since I could enjoy some time abroad while practising my English at the same time. A couple of years ago, I spent a month in Ireland with a host family in a similar program and it was a memorable experience.

I hope this summer will also be amazing. I'm enthusiastic about visiting California and enjoying time with you. I hope this immersion will bring me a new experience I will never forget.
