What is your religious affiliation, if any: CHRETIENNE
Would you accept to go to religious service with your host family? Yes In theory no, but I'm okay to try (it will not be mandatory but it usually is an important part of the American family life)

OUI-CONNECT IS A NON-SMOKING/VAPING PROGRAM

Dear Host Family, I am writing to you because I would like to introduce myself as your future student. I am very excited to join your family in the United States and share this enriching experience with you.

First of all, let me introduce myself. My name is Anna Kfoury, 17 years old, I have 2 sisters including a twin and a dog. I live in Picardy, in the North of France (2 hours from Paris), my region is picturesque with many old fishing villages bordering the sea and we even have some specialties like ficelle picarde. In addition, I am in high school and I am entering the final year (the baccalaureate...) specializing in science (in France, from 11th Grade we choose specialties among our subjects which count a lot for the baccalaureate and our higher education so I chose maths, physics and biology) because I want to do medicine. However, I love literature just as much (I am a big reader), history (it is a real passion, I was even able to do a two-week internship at the Palace of Versailles!) and all the so-called "literary" subjects.

As for my hobbies, I play water polo, rock climb and do other sports more occasionally. I also like reading (as I said above), going to the movies... and I love visiting historical monuments (I REALLY like history) and traveling. Also, our parents take my sisters and me for a lot of walks. We often go to museums or the theater and I have already had the chance to visit many countries in Europe (Italy, Greece, Portugal...) and around the world (Namibia, Lebanon (I am French-Lebanese), United States...). Indeed, I have already visited your country but my stay, although wonderful, was short, and I would like to discover more of your culture in order to free myself from European prejudices. This is one of the reasons why I want to share the daily life of an American family, in addition to learning English of course (today it is essential) and discovering and learning new things. Hoping that you are as happy as I am with the prospect of this stay.

Sincerely,

Anna Kfoury
