What is your religious affiliation, if any: _____

Would you accept to go to religious service with your host family? Yes In theory no, but I'm okay to try (*it will not be mandatory but it usually is an important part of the American family life*)

OUI-CONNECT IS A NON-SMOKING/VAPING PROGRAM

Dear Host Family,

My name is Charlotte Faucheux, I'm 14 years old. I live on the outskirts of Lyon in France. I am close to the city but also near nature, which allows me to experience several different environments. I also live not far from the mountains and I love skiing during the winter. I do also athletics, I like listening music and reading.

I love traveling, meeting people, discovering new cultures, and seeing different landscapes outside of my city.

So, I would say that my passions are traveling, doing sports (skiing, athletics), spending time with my loved ones, cooking, tinkering with my father, practising manual activities (potteries, drawing..) and reading.

I have one older brother, Quentin, who is 18 years old. He is student and does not live at home anymore, but we are still very closed.

Then there's my dad, Gregory who is 47, and my mom Julie, who is 46.

I have one cat who is 11 years old, his name is Paco. He is black and white with yellow eyes. I love him a lot. I love animals.

I've told you that I love traveling, let me talk about the countries I've visited with my parents, what I liked the most, and why:

- I recently went to Thailand for three weeks. It was just incredible. All the landscapes were beautiful, with an amazing diversity, from heavenly beaches to the deep jungle just three hours by car away.
- We also went to Corfu, an Island in Greece, with friends who we now consider family (we've traveled with them on all our trips except for Thailand). Corfu was incredible, the beaches were beautiful, and the culture there was very interesting.
- I've been to Italy three times: twice with our friends when I was seven and twelve, and once when I was five years old.
- I've been to Malta, but the trip was interrupted because I got sick.
- I also visited the Balearic Islands (a group of islands in Spain).

My favorite trips have been to Thailand, Greece, and Italy because they are the destinations I remember the most, and they were incredible. Of course, I've also been to several cities in France, like Paris. We went to Disneyland Paris twice, but also to the south of France and even the north to visit my family!

I would love to visit another continent, like America!!

I would really love to be part of this language trip because it would allow me to expand my knowledge, both culturally and improve my English language.

I would love to speak English better so I can communicate more easily, both during my English lessons in France and when I'm outside France.

I have many friends at school. I learn English and Spanish. I like Mathematics. I don't like too much French. It is too early to know what job or study I would like to do. I am interesting in Interior decoration, cooking and Children.

I'm not sure how to describe myself, but what I can tell you is that I am sociable, curious, I love children, I'm sporty, chatty, and funny!

I am very motivated to be during 3 weeks in your family and to discover part of your culture and your life.

I hope you enjoyed my "World" and I am looking forward to get your feedback and to meet you during summer.

Thanks you very much to participe to "oui connect program".

Kind Regards

Charlotte
