Subject: Host family in the USA

Dear Mrs & Mrs/Sirs,

My name is Clovis, I am a 16 years old French, teenage boy who lives right near Paris in a city called Neuilly-sur-Seine. For the last year, I have been studying business in a high school called Albert de Mun in Paris, where I have several subjects to master such as French, Mathematics, English, Spanish, Law and Economics.

I come from a large family where I have several siblings. My parents are divorced and both re-married, so I have got one half-sister (Armen) on my father's side and one half-brother (Léon) on my mother's side. I also have one older sister (Charlotte) who is studying in Brazil.

I also love animals, especially dogs (I have one, a 3 year old sausage dog (Mancy)).

- Note that I love sports and I have been practicing rugby for 8 years now. I also enjoy kiting which I do with my best friend Antonin. We met in school and have known each other for over 5 years. When I am not kiting, I like hanging out with my other friends: Évan, Ylam and Augustin in Paris, as it is a wonderful city where there are always places to visit (the Eiffel Tower, Le Tourne on the Sacred Heart), and great French food to eat (such as croissants, baguette, frog legs...). On my free time, I also like playing video games with my friends.

- I would love to explore my horizons and attend a University in Lille where I can learn more about business and participate in classes that are taught in English. This immersion will allow me to improve my English and help me to become more fluent and even bilingual.

- I have always dreamt of going to America because I would love to discover the American culture, taste all the different American foods, and of course blend in with all the different ways of life with an American family, where they can be my "host family", and help me to get even better with my English ~~dialect~~. This is why I would just adore living with you and your family so that I can experience and learn all of the above.
