Hello my future dear family,

My name is Enzo Djellouli. I'm 15 years old. I would be 16 years on 26 August. I have one little sister she has 9 years old and she called Emma. My parents are Anne-Laure and Farouk.

I have an amazing family with much different culture. My parents are French but my father have Tunisian origins. My uncle who lives in the French Riviera is married with a American who come from St Louis. My aunt lives in London and she's married with a Englishman. The all family recently went in Tunisia for spend good times together and visited the country.

I did a lot of trips with my family. We visited Florida, New York, Tunisia, Barcelona, Maurice Island, Mexico, London, Guadeloupe, Martinique. We spend all our summer in Corsica which is the most French beautiful island in Mediterranean Sea.

I would be going to Los Angeles because I love the west coast, the mood, every time I think about US with my friend. This summer I would like practice sport and I can give a basketball or sport lesson to a little kid, I love that.

Nevertheless, I hope the fire in LA will be stop because for 10 years it's horrible to see this town destroy.

I'm from Paris but now I live with my grandmother in Les Sables d'Olonne on the west French coast. I'm studding at Notre Dame de Bourgenay which is a private middle school.

I did a basketball program last year. I play basketball during 5 years but this year I'm stopped and I'm doing other sports like swimming, sailing boat, cross fit and sometimes I'm boxing. I'm very sportive but also i'm a little shy at first but after that's cool 👍 and very funny 😄.

I'm big fan of sports specially basketball, soccer and sometimes football. In Paris a lot friends practice soccer because it's a sport very popular since the youngest age. I love my city because we have a lot of diversity even if the sky is grey a lot.

Futhermore, my favorite food is kebab, French tacos, burritos and fricassee (Tunisian speciality).

I love also video games : I play at Call of Duty ,FIFA with my dad, Watch dogs and sometimes race car.

For finish I want tell you I love USA. I know the geography and the culture of the US. It will be a dream to live with a American family.

See you  
Enzo
