What is your religious affiliation, if any: o

Would you accept to go to religious service with your host family?  Yes  In theory no, but I'm okay to try (*it will not be mandatory but it usually is an important part of the American family life*)

**OUI-CONNECT IS A NON-SMOKING PROGRAM**

Dear host family,

I am Eva, I am 15 years old and I am in 10th grade. I was born on October 25th 2009. I have a little brother, his name is Louis and he is 12 years old. My mother Lise is 42 years old and my father Julien is 48 years old.

I live in Marignier, a small town of about 6000 people in Haute-Savoie next to Chamonix-Mont-Blanc, Annecy and Geneva in Switzerland. It's an area between lakes and mountains where we can make splendid walks.

I love to read, I have a lot of books. I mostly read new romance, but I also like all types of books. I have this in common with some of my friends. I also love to watch series, movies and Youtube video.

Sometimes I do a little sewing, I'm rather manual and I love shopping. I'm skiing in winter with my father and my brother.

I like playing board games and card games and particularly, I love eating and discover new flavors.

I love my family and my friends. I'm so happy to have met my friends. They make me very happy and joyful. I met some of them at the beginning of this new school year in my new high school and I love them already.

I do « Savate forme » (it's French boxing with music, it's a dynamic sport but not violent) with my friend from my old school. As we are no more in the same high school this year, we can always stay in touch.

At school I learn German in addition to English. I have already been with a German host family for a school trip last year, it was a school exchange, so I welcome my correspondent into my home.

For English, I choose a special class, it's the euro class. In this class I have two more hours of English per weeks than the other students, one hour of physics chemistry or history-geography and one hour of classical English.

I didn't really have any favorite subjects but I rather like all subjects except physics chemistry, I don't understand it, I only like experiment in this subject.

I would like to participate to this full immersion program because I want to discover the American culture, the daily American life in an original family. I would also like to improve my spoken English and my English in general. This immersion is an incredible experience to be live at least once in your life and I want to take this opportunity.

I don't know what I want to do in the future yet but, I'd like to work in the world of the communication, the trade or the marketing.

I look forward to meeting you !

See you soon !

Eva 😊
