# MY INTRODUCTION

Dear Host Family,

We haven't met yet, but I look forward to getting to know you and discovering American culture and life with you.

It will be my second trip in the United States. I came when I was 8 years old to visit Miami with my parents. It was during the Halloween and I keep in my mind so wonderful remembers.

Let me to introduce me. My name is Sacha. I am 16 years old. I study in the South of France, more precisely in Toulon. I live with my 2 parents in a house. I have a brother, Alexandre, 26 years old who is finishing his studies in Switzerland in a digital school. I have a sister, Alice, 23 years old. She is also a student in hospitality management. She studies between Lyon, Paris and soon LAs Vegas because there is a campus in this town.

I have also a cute little female dog « Lilly ». We adopted it 4 years ago. It is a mix between a golden retriever and border collie.

My city Toulon is a very amazing place because it's a middle town and we are closed to the sea but we are also mountains. You can do many activities like VTT, go hiking or play volleyball on the beach, go swimming or do paddle. And it's also the largest harbor in Europa and a military place.

I am cheerful, sociable. I play club basketball. I love it and I am very proud to see French guys like Victor Wembanyama in your NBA. When I am with my friends, we like walking on the beach, going to the cinema, sometimes we go fishing. This year, in my study it's an important year because I have my first exam, the French Bachelor. And next year, I'll finish high school and I'm a little bit anxious because I have no idea what I want to do after. And it's a bit stressful for me.

I am very grateful to my parents to give me the chance to visit you and discover the American culture and your way of life. I travelled 2 years ago in Ireland between 2 weeks in a host family and it was really a wonderful experience. I am excited to live a new adventure with you in USA.

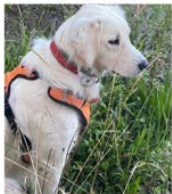

Thanks for your welcome and we look forward to meeting you
