Dear host family,

I'm Morgane, I'm 16 years old, and I'm really excited about the opportunity to join your family for a few weeks !

I hope this letter will help you to know me better 😊 .

I live in Reims, a very pretty city in France, it's the capital of Champagne, with a beautiful cathedral, surrounded by vineyards and next to Paris. I live there with my parents, my father is working in marketing and my mother helps people get mortgage loans to buy their homes. I used to live with my older brother but he moved out to Paris last year for his studies so I don't see him much now.

I am a student at "Lycée Saint Jean XXIII" in 11th grade, and my favorite subjects are English and Italian. I have a lot of hobbies : I play volleyball in a club since 7 years, I play the piano since almost 10 years, I started singing lessons last year, and I'm learning guitar by myself, so I have a very busy life and I love it ! 🥰

During my free time, I love reading, watching movies, playing board games with my family, and hanging out with my friends. When we are together, we like to sit and chat, but especially play music : we have a band (I'm the singer 🎤). We named it "Yellow" after the Coldplay 's song (because it was the first song we played together, but I really think we should change it now 😂).

My friends describe me as sociable, funny, sensitive, generous, compassionate, but also chatty, impatient, and a little bit messy 🤪 .

I've already been to the U.S. once (3 years ago). It was in New York City, we stayed 8 days, and it was amazing!

Living with a host family is an exciting opportunity for me to discover your culture, and share mine with you, and improve my English of course. I'm sure this experience will enrich my general and personal culture and prepare me for my future goals, because I would like to work in international trade (I'm not sure yet, but it's a possibility 🤔). I'm a bit afraid by this experience, but I'm sure that after 3 weeks with my host family, I will not want to go back home !

Thank you for considering my application. I look forward to meeting you and sharing wonderful moments together ! ❤️
