

PRESENTATION EMMA ESTEBA

Dear host family,

My name is Emma and I am 17 years old. I live in Girona, a city located in Catalunya, Spain. I have two brothers, an older one (Jordi) and a younger one (Pere). I love playing sports, specially tennis, because I practice it all year long. I also love doing windsurf, because I practice it in the village where I spend every summer. I love listening to music, singing, eating, sleeping, watching films and series, travelling and a lot of other things. My best friends are Anna and Mila, and when we meet we usually go for a walk around the city or we go to a café and spend our afternoon there. In general, I like all type of food, but my favourite one is rice with tomatoe sauce. I consider myself a nice, responsible and generous person, but I can also sometimes be a little bit lazy. When I grow up I want to become a doctor, because it's been my dream since I was little. As I said, one of the things I love the most is travelling, and some of the places I have always dreamed of going are Greece, New York, California and Thailand.

When I go to the U.S I want to practice my english and learn about the culture of the country. Thank you for this opportunity! I am super excited and I'm looking forward to spending this July in California. ☐

See you soon!

Emma
