

Dear Host family,

My name is **Nina**, and I am 14 years old. I am sociable, independent, open-minded, and easy-going. I love spending time with my family and cooking with my mum 🧑🍳🍪.

I live with my parents, Fanny & Charles, my sister Rose, my dog Uma 🐾 and 3 land turtles 🐢 in Charenton-le-Pont, in a very nice house next to Paris. It is the house in which my father grew! My town is small and I can go to school and to all my activities walking.

I do gymnastics once a week & I play guitar. 🎸

My grandparents are all in the South of France. On my mother's side, they live in Avignon. On my dad's side, they live in Cannes. I visit them very often and I spend 2 months during summer holidays. That is the reason why I like swimming 🏊, the sun, the beach/pool 🌴🌊 and the nature.

For my 7th birthday, I went to NYC with my mum & dad. It was a surprise. I loved it! Last year, I went to England during summer and I had a lot of fun, as I met many foreigners. This year, I am happy to go to CA and to discover another city, a family and the American way of living. I am willing to share your daily life.

I love travelling ✈️ and discovering new countries & culture. The last trip I did was in Colombia 🇨🇴 last October. We visited Bogota, Medellin & Cartagena. It was so exotic. And for Christmas, me & my family went to Essaouira, Morocco. It was nice to see the sun & to swim during this winter period!

In a few days, I will go skiing with my parents & my sister. 🎿

I am in the same school since primary. My favorite topic is ... my friends 😊

My best friend is called Chloé. We have no secret for each other ❤️. I like going to Paris with her, and when she comes at home for the night during weekends. We love when our hair & nails are done 💅, and trying new make-up 💄.

English is very important, as it is the 1st spoken language in the world. My mother speaks English every day in her job, and she says that if I am fluent, I will be able to travel all around the world.

I hope you will be as exciting to welcome me as I am to meet you... I am sure I will learn a lot from your life and that I will be able to share my French culture with you.

I think we can have a great time together.

I look forward to seeing you soon through a video call!

Nina
