☐ In theory no, but I'm okay to try (it will not be mandatory but it usually is an important part of the American family life)

Hello,

My name is Noé, I'm 16 years old (I'll be 17 at the beginning of July) and I live in Bordeaux in the southwest of France, with my parents Anne and Daniel, my brother Simon who is 15, and our little dog Uma, a 2-year-old spaniel.

I'm in high school at a Catholic school.

We have a house in Cap Ferret, on the shores of the Bassin d'Arcachon, and we go there very often on weekends and during vacations.

I love going there to fish, surf, and cycle in the forest. I also play rugby at a club and often play matches.

Last summer, I went to Washington, DC for summer camp with my brother, and we loved it. Then, I met up with my parents in California for a fantastic trip for a few weeks.

This summer, I'm looking forward to experiencing the daily life of an American family in California and discovering the region. I'm sure this is the perfect way to improve my English and meet some wonderful people.

I can't wait to meet you.
