

Hello,

My name is Oihana. First, I would thank you to receive me in your Family.
I am so excited to go to the United States !

I am 16 years old. I live with my old sister, Julie, and my parents : Fabienne and Laurent. I live in « Basque Country » : it's a place in the south west of France, near Spanish country.

I am in the first class in my highschool. My favorite subject is economic and social sciences.

In my life, I like be and laugh with my friends. I am generally in a good mood and smiling. I listen a lot of music. My favorite singer is Shakira : I dream to go see her in a concert. I like dancing and singing, even if I don't do it very well.

My sister is one year than me. I am very close from my sister and my mother. I spend a lot of time with them (go usually do shopping).

I love eating and cooking : my favorite dish is pizza. All the weekends, I make cookies for my Family and me, it's my ritual.

I dream to travel everywhere in the world. I like so much watch movies and series like Outer Banks, Marvel... It's very important for me to progress in english (actually I don't have a good level).

I m so impatient to meet you.
