

Barcelona, Spain

Dear Family,

My name is Oriol and I am a 15 years old student from Sitges, a beautiful town near Barcelona in Catalonia. I live very close to the sea, and it is a place with many beaches, tourists, and a very nice atmosphere. I am very excited about the opportunity to meet you and live with your family.

I would describe myself as a responsible, curious, and creative person. I like learning new things and challenging myself. I am also quite organized and I enjoy working on projects and improving my skills.

One of my biggest passions is music. I play the drums and I love practicing and improving every day. Music is very important to me because it allows me to express myself and relax. I also practice swimming in a local club. I am not the best swimmer, but I like the discipline and the exercise.

At school I work very hard and I get very good grades. My favorite subjects are Music and Maths. I don't really know what I want to work in the future.

My family is very important to me. We spend a lot of time together and we have a good relationship. We often eat dinner together and talk about our day. On weekends we sometimes go for walks or visit nearby places.

Sitges is a small town but it is very lively. Many people visit because of the beaches and festivals. I have a few close friends, and when we meet we usually talk, play music, or spend time playing soccer.

Thank you very much for opening your home to me and giving me the opportunity to live with your family. I really appreciate your kindness and generosity, and I hope we will create many great memories together.

Thank you again for this opportunity.

Best wishes,

Oriol

What is your religious affiliation, if any: CHRISTIAN

Would you accept to go to religious service with your host family? Yes

In theory no, but I'm okay to try (*it will not be mandatory but it usually is an important part of the American family life*)
