

Dear host family,

My name is Lucie Buchillet. I am 15 years old. I live in a small city next to Annecy, city located in the east side of France, at the foot of mountains, close to the Switzerland boarder.

I live in a house with my father, my mother and my little sister Cléo, who is 13 years old. I have a nice garden with a swimming pool, my father grows his own vegetable garden. We have also strawberries, raspberries, blackberries to do homemade cake and jam. I can eat everything; I have no allergy and I will be happy to discover new meals.

This year, it is my first year in high school. I am lucky, I can go to school by bus or by bike in 10 minutes. I like my studies and my class, what I prefer the most is scientist maters. I learn English for 5 years (I have B1 level).

I practice a lot of outdoors activities: every week I do rock climbing and horse riding in club and every weekend I practice ski during winter and hiking (by foot or cross country) during summer. I like reading books (novels and fantastic), cooking and spend time with my cat.

Every summer, I enjoy holidays by traveling with my family, we already visited Iceland, Norway, Italy, Dubai, Scotland, Spanish islands, Slovenia and different regions of France. It was great experiences to discover new countries and cultures.

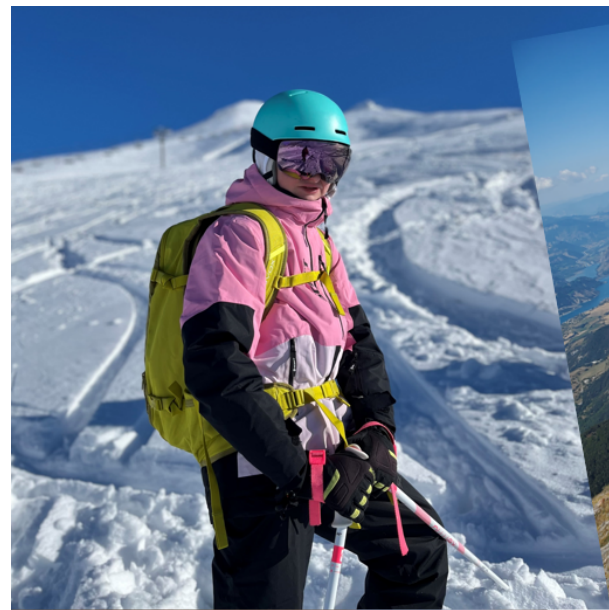

I am serious, curious, motivated but a bit reserved. I will adapt to your lifestyle and I will respect your instructions. I have selected this full immersion program in a host family because this is for me the best way to be really integrated into an American life.

During this trip in California, I would like to improve my vocabulary and my English accent. I will be very happy to discover the American culture. It will be also a great opportunity to gain autonomy and maturity.

I will be very thankful that you welcome me and share your daily life with me.

Looking forward meeting you

Lucie
